PROFESSIONAL SUMMARY

I am an Informatics student with strong experience in event coordination, leadership, and communication. I have been actively involved in managing university-scale events, working with cross-functional teams, and engaging with external partners. I am highly adaptable, detail-oriented, and eager to apply my skills in a professional environment while continuously learning and growing.

ACADEMIC HISTORY

St Albertus (Dempo) Senior High School | 2021 - 2024

President University | 2024 - Present

Bachelor of Science in Computing

- GPA 3.69

WORK EXPERIENCE

Supernova Flexible Packaging SAP Support (SD) Intern | 2026 - Present

- Supported SAP SD operations by assisting with sales order processing, billing-related activities, user acceptance testing (UAT), and functional documentation. Worked closely with consultants and end users to troubleshoot issues and improve business processes.
